

GIFTS OF SECURITIES

The Riverside Foundation for Health Care greatly appreciates your support. This form outlines the process to make your donation of securities as seamless as possible. A charitable tax receipt will be issued for the value of your gift of publicly listed securities to Riverside Foundation for Health Care using the market close on the date of transfer.

Step 1: Fill Out Form

We require one form for each publicly traded security. This can be filled out by your broker, but it will require the donor's signature.

Step 2: Share with your Broker

Share a copy of the signed form with your broker. This allows them to arrange the transfer of shares.

Step 3: Submit to Foundation

Send a copy of the signed form to the Foundation, allowing us to track your generous gift and inform our broker. This can be done by you or your broker.
